The Office of Personal & Career Development

Andy Chan
Vice President for Career Development
Purpose: To equip students to lead lives with purpose.

Vision: By senior year, all students have clarity and confidence about their post-college career direction and goals. They have core career management competencies. All inspired and supported by a “college-to-career” community that provides sound advice.

Strategy: We educate, coach and connect students, faculty, parents and advisors; and facilitate connections and work opportunities.
